Mr. dr. Fasli Jalal Ph.D.,
Director General for Higher Education,
Departemen Pendidikan Nasional,

Dear Sir,

INPEX SCHOLARSHIP PROGRAM for 2009

We have much pleasure in informing you that INPEX Scholarship Foundation has determined to offer a scholarship program for the year 2009 to Indonesian youths, who have graduated from universities in Indonesia and are now living in Indonesia, and who wish to study the subjects in the field of natural science in the Master Course of the Graduate School of Universities in Japan.

For your information, we would like to accept less than three students as our Foundation's grantees for the 2009 scholarship program but other conditions such as requirements for application, the amount of scholarship award, application procedure, etc. are the same as in the last year, as you will see in the attached "Announcement for Scholarship for 2009". We shall be therefore, much obliged if you kindly distribute our announcement and the application form to many Indonesian national universities and institutes, and recommend us many excellent candidates for our 2009 program from various fields of natural science and send their applications to our Foundation through the following office.
